

# Introduce a Friend

---

The North Scottsdale PDM (Professional Development Meeting) Evening Meeting is offering a 2-for-1 special pricing for its Wednesday, April 15<sup>th</sup> meeting as it welcomes the advent of Spring with its "introduce a friend" meeting theme.

When you register you will be asked if you are inviting a first-time friend. It does not matter if your friend is a PMI member or not; all we ask is that your friend be a first-time attendee at the North Scottsdale PDM Meeting at Monterra. (If your friend attended a PDM at Hampton Inn, our previous North Scottsdale PDM Home, or attended the Holiday Party at Monterra they are still eligible to attend as your guest).

The North Scottsdale PDM Director of Operations, Terry Robertson, is very excited about the prospects of having first-time attendees at this April meeting. Indeed, this PDM meeting has taken on a unique, pleasant personality. Maybe it's due to the beautiful mountain views from the windows or maybe it's the elegance of the Monterra facility. Whatever it is, there is no doubt that the North Scottsdale PDM Evening Meeting has been a successful venture for the chapter since its launch in August of 2008 and Terry has been absolutely thrilled with the turn-out and the friendliness of the attendees.

The featured speaker for the April PDM will be Lou Russell, a CEO, Author, Speaker and Consultant. Her topic will be "My Team: Can't Live with Them, Can't Live without Them."

Lou is a very entertaining speaker and the comment that seems to follow her, is that "nobody ever forgets Lou."

We hope you can make it to this special meeting. And of course, don't forget to invite a friend!
